## SkyPriority

Saudia is proud to introduce SkyPriority: the SkyTeam alliance-wide and privileges treatment for our top customers. SkyPriority unites the most exclusive airport benefits of all the 19 SkyTeam alliance members to create a consistent experience for guests who travel in First and Business class.

SkyPriority will speed up and guide you through your journey with ease regardless of your airline or frequent flyer program.

### How do you find SkyPriority?

SkyPriority indicator will be on your boarding pass and SkyPriority signs will be spread throughout the airport. As SkyPriority rolls out at SkyTeam-served airports worldwide, you will find priority services like:

- Priority at check-in areas
- Priority at baggage drop off
- Priority at passport control
- Priority at security line
- Priority in boarding
- Priority at ticket desks
- Priority at transfer desks
- Priority in baggage handling

\*Available in select stations only

## GUEST (ECONOMY) CLASS EXPERIENCE

- The most comfortable and spacious in the air today, with seat pitches of 34 inches, more than most other airlines allow in their Economy Classes
- All seats are equipped with special monitors

## BRANDED FARES ( ALL CABIN )

Saudia has introduced a major change to its branded fare structure to offer its guests more flexibility and more alternative options for selecting exactly the fare brand or bundle that suits their travel needs. Additionally, the passenger will have the opportunity to add products (which we call ancillaries) to the selected fare bundle.

Cabin Class	Brand Name	Brand Code	Fare Basis (Suffix)	RBD Mapping
Guest Class	Economy Saver	NSAVERE	S4	Q,T,N,V
	Economy Basic	NBASICE	B4	M,K,H,L,Q,T,N,V
	Economy Semi Flex	NSEMIFLEXE	C4	Y,E,B,M,K,H,L,Q,T,N,V
	Economy Flex	NFLEXE	F4	Y,E,B,M,K,H,L,Q,T,N,V
Business Class	Business Basic	NBASICB	B5	J,C,D,I
	Business Semi Flex	NSEMIFLEXB	C5	J,C,D,I
	Business Flex	NFLEXB	F5	J,C,D,I

Note : The above RBD mapping is a general one. For a particular route/flight/departure date/RBD, some fare families may not be available for that particular route/flight/departure date/RBD depending on SV's pricing strategy
